

ADDENDUM NO. 1
LOWER PLATTE SOUTH NRD
PIENING WATER QUALITY BASIN
SCHEMMER PROJECT NO. 09020.001

Addenda are instruments issued by the LPSNRD prior to the date for receipt of offers which will modify or interpret the specification document by addition, deletion, clarification, or correction.

Please acknowledge receipt of this addendum in the space provided in the bid form.

TO ALL PROSPECTIVE BIDDERS:

The following items have been added or deleted:

1. NA

The following items have been modified/clarified:

General Note No. 9 on page 2 of the plans indicates all piled trees and downed trees within the borrow site shall be removed from the site and disposed of offsite by the Contractor.

This note is modified to include the following: "The Contractor may choose to burn the piled trees and existing downed trees on-site within the borrow area and shall remove and dispose off-site all unburned or remaining burned tree debris. The Contractor shall be required to obtain a burn permit as required by local regulation."

All other terms and conditions of the Contract Documents including Special Provisions, specifications and drawings shall remain unchanged and in effect.

Dated this 4th day of November 2024.
