Refer to Enlarged Floor Plan 1/A-401 and Room Finish Schedule/A-601, Vestibule 100.
Clarification: The intent of Room Finish Schedule Note 3 "Level and patch floor as required."
The intent is to prepare a known uneven exterior surface that is to become an interior vestibule surface by grinding the floor slab under where the existing doors are setting now to round off the break in the floor plane from what is now a sloped exterior slab to flat interior slab and level critical existing imperfections to allow a smooth transition to the existing sidewalk without requiring a structural stoop and/or any sidewalk replacement.

THIS ADDENDUM SHALL BE ATTACHED TO AND MADE A PART OF THE DRAWINGS AND SPECIFICATIONS AND SHALL BE ACKNOWLEDGED WITH THE BIDDER'S PROPOSAL.
